

# SERVE TEAM

## VISION

Jesus came to serve, not to be served. A Serve Team is designed to help you serve, because we are never more like Jesus than when we do. Serve Teams are organized around various interests/giftings/skills to give you an environment to give back. They operate in various capacities and frequencies and require various levels of investment and ability. Starting with what you bring and then moving to what Embassy needs, find the right team to help you serve like Jesus.
