

HOOSIER NEIGHBOR?

VISION

Who doesn't like to feel invited? A recent study by Lifeway Research shows that nearly two-thirds of Americans are "very" or "somewhat willing" to receive information about a local church from a family member, and only slightly less say the same from a friend or a neighbor. Hoosier Neighbor? is a way to help you, and all of us at Embassy, be an ambassador to those that God has put in our day to day.

RESOURCE

Write the first names down of people who you interact with on a regular basis and are not connected to a local church. Think through the lens of where you live, work and play.

Begin to move toward them by praying for them daily, investing in them weekly, and inviting them to the next right thing.

ROADMAP

PRAY DAILY

Set a recurring alarm on your phone for 10:02a to remind you to pray the Luke 10:2 prayer ("pray to the Lord of the harvest to send out workers into his harvest") and to pray for your neighbors you listed above.

INVEST WEEKLY

Be intentional about moving toward your neighbors and cultivating a relationship with them by engaging them in conversation, asking them about their lives, listening to their hopes, and serving their needs.

INVITE TO THE NEXT RIGHT THING

Open your life to your neighbors and invite them into what you enjoy and who you enjoy it with. Our Sunday gathering or your City Night are great environments to personally invite your neighbors into. But don't confuse *being* the church to your neighbors with *bringing* your neighbors to church.
